

How to Use TanenbaumCHAT's Parent Portal

Your Parent Portal Account

Even if you're new to TanenbaumCHAT, your Parent Portal account already exists. It's the same email address and password that you've used to create and submit your child's application for the coming school year.

Families already enrolled at TanenbaumCHAT may have already used the our Parent Portal's online forms area for re-enrolment for the coming year, updating emergency contact data, etc.

Signing In

The web address for our Parent Portal is:

<http://parentportal.tanenbaumchat.org>

If you should ever forget your password, you can click on the **I forgot my password** link to select a new one.

The screenshot shows the login page for the Parent Portal. The browser's address bar contains the URL parentportal.tanenbaumchat.org, which is circled in blue with an arrow pointing to the text "Our web address." below it. The page features the TanenbaumCHAT logo, which includes a Star of David and the text "THE ANNE & MAX TANENBAUM CHAT Community Hebrew Academy of Toronto" in both English and Hebrew. On the right side, there is a "Login" form with fields for "Email" (with an example "pat@example.com") and "Password", a "Keep me signed in" checkbox, and a "Sign In" button. A link labeled "Help: I forgot my password" is circled in blue with an arrow pointing to the text "You can click here if you've forgotten your password." below it. At the bottom right, there is an "Instructions" section for returning users and a note about password recovery.

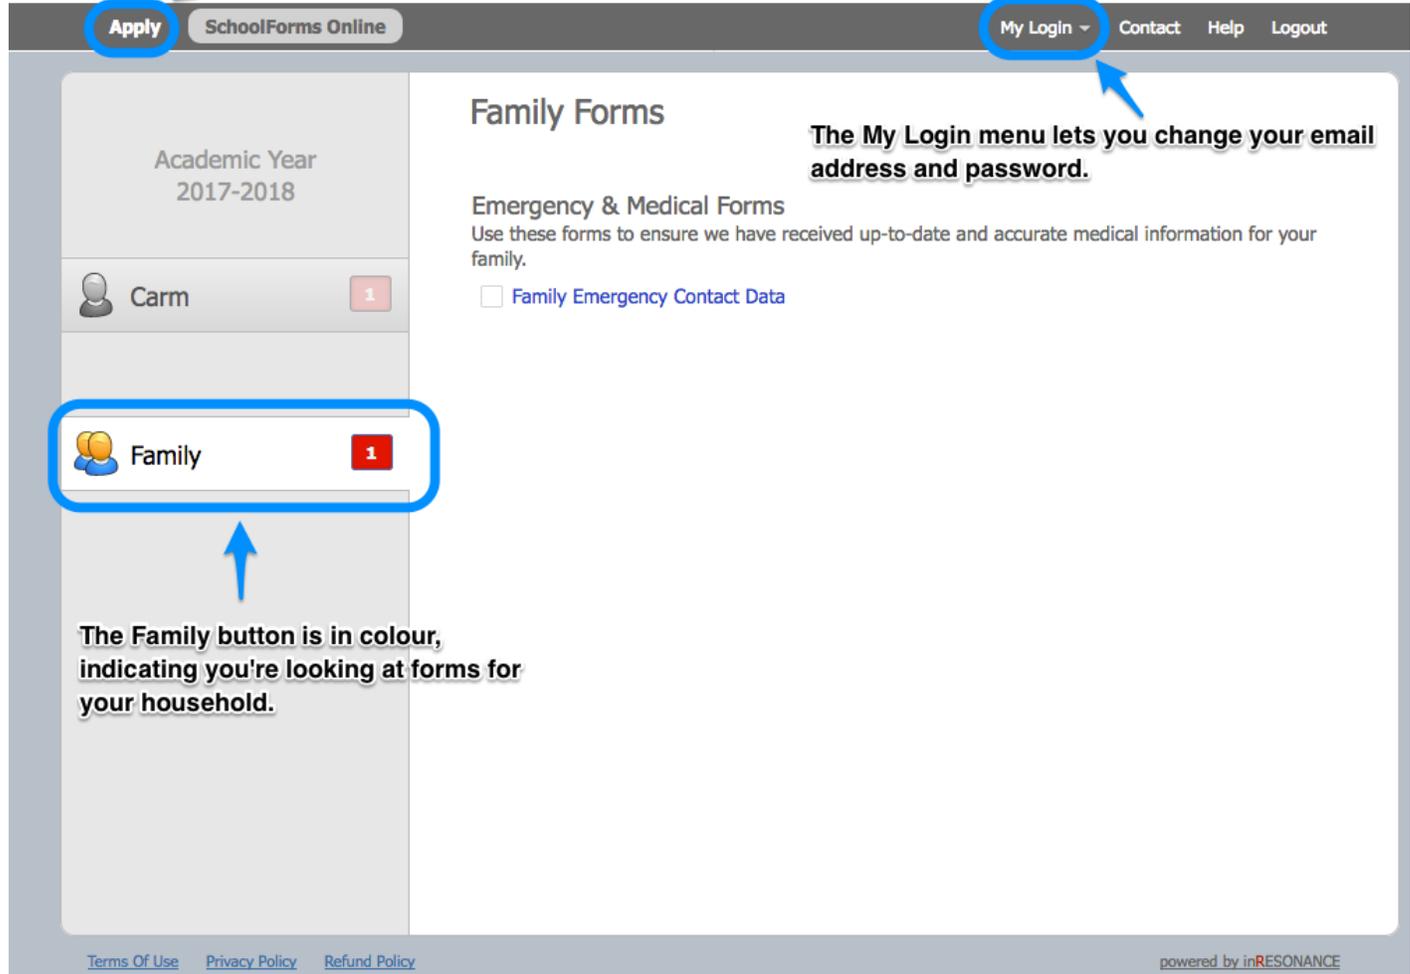

Inside the Parent Portal

When you sign in you'll be taken to our School Forms Online page. There are two kinds of forms.

Student forms are specific to a student, and could be used for things like signing an enrolment contract for the coming school year, field trip permissions, or updating a student's medical profile.

Family forms are for information that applies to an entire household, such as updating household contact information, or maintaining your list of emergency contacts.

If you have applied to enrol a child at TanenbaumCHAT through our new online application system, you can access your application here.

On the left side of the screen you'll see a button for each of your children, and a button labeled Family. The button indicating which set of forms you're looking at will be in colour.

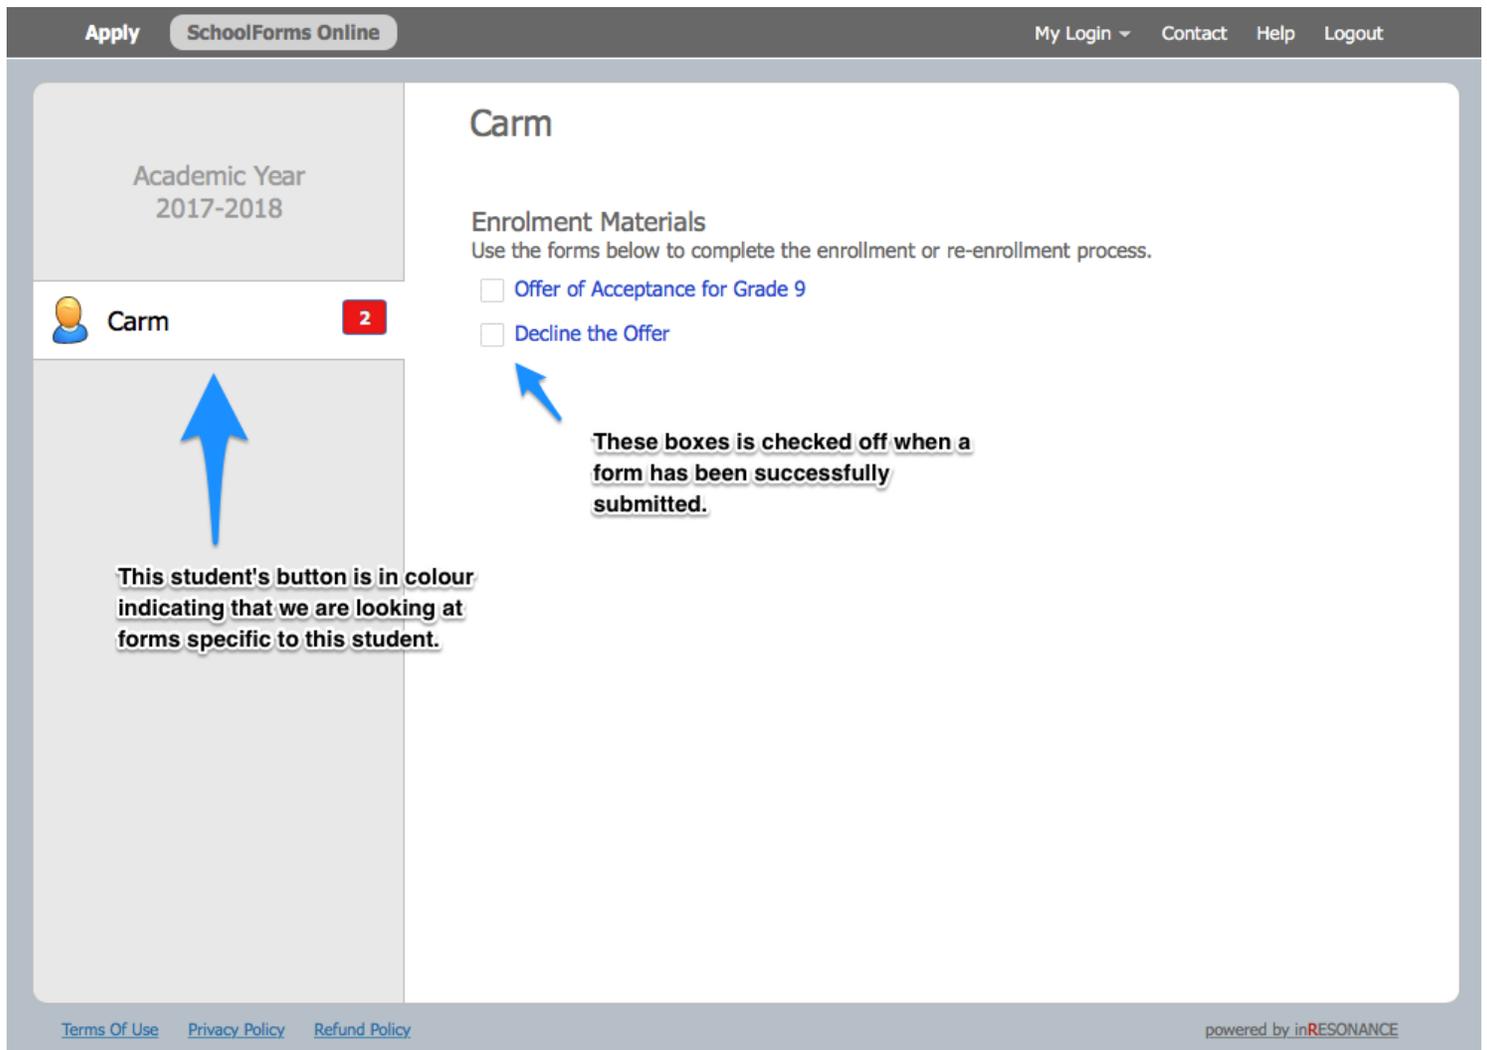

At the top right of the screen there is a My Login menu where you can change the email address and password you use to sign in. **Note:** Changing the email address you use to sign in does not change the email address we have on file for contacting you.

Your Children's Forms

In the centre portion of the screen you'll see forms that have been assigned to you, grouped into categories.

There is a separate set of forms for each child that has been accepted for the coming school year.

The confirmation deposit for each child will be paid separately when submitting their acceptance form.

The screenshot displays the 'SchoolForms Online' interface. At the top, there is a navigation bar with 'Apply' and 'SchoolForms Online' on the left, and 'My Login', 'Contact', 'Help', and 'Logout' on the right. The main content area is titled 'Carm' and shows 'Academic Year 2017-2018'. Below this, a student profile for 'Carm' is shown with a red badge containing the number '2'. A blue arrow points to this student's button with the text: 'This student's button is in colour indicating that we are looking at forms specific to this student.' To the right, under 'Enrolment Materials', there are two checkboxes: 'Offer of Acceptance for Grade 9' and 'Decline the Offer'. A blue arrow points to these checkboxes with the text: 'These boxes is checked off when a form has been successfully submitted.' At the bottom, there are links for 'Terms Of Use', 'Privacy Policy', and 'Refund Policy', and a note 'powered by inRESONANCE'.

Each form has a checkbox that will be checked off if the form has been submitted.

Should you choose to decline this offer please fill in the Decline the Offer form.
